

TUESDAY 10 JANUARY 2012

AT THE CLUB

Welcome back to Coffee Pointers. On behalf of the Management Committee and Staff we trust all members had a very happy Christmas and New Year. There is lots to look forward to this year and as always, Coffee Pointers will be the place to watch to find out what's on.

THURSDAY 26 JANUARY 2012

AUSTRALIA DAY

For the information of all members, we offer the following advices in regard to the Australia Day Skyshow:-

- No non member car will be admitted into the car park. Members should ensure they are carrying their car stickers to gain access into the club grounds.
- The lower reserve of Heathcote will be available for parking to the general public and members from about noon on Australia Day. Melville City Council will have rangers on duty during the day in the Heathcote area to manage the demand on parking spaces and assist residents retain access to their properties.
- Due to the size of the Skyshow function, all other club activities will be suspended for the night for security reasons. Counter meals will be available at lunch time.
- Boat owners are being urged to check their navigation lights and other safety gear if they plan to watch the event from the water. In addition it is recommended life jackets and flares are carried on board.
- Skippers need to be aware of the special restrictions for Perth Water – an eight knot speed limit will apply to this area and it will be closed from 4.45pm to 9.45pm. Vessels are only to anchor or moor in the spectator craft areas and use the Narrows Bridge main navigation channel centre arch only. Boat owners are reminded that it is an offence to navigate a vessel while under the influence of alcohol. People wanting more boating information regarding the on water arrangements for the Skyworks can log on to the Dept. of Planning Infrastructure website www.transport.wa.gov.au/imarine
