AROUND THE SOUND RACE SUPPLEMENTARY SAILING INSTRUCTIONS

Issued Thursday 11th November, 2010

1. Rules:

- 1.1 The Organising Authority is the South of Perth Yacht Club (Inc.)
- 1.2 Races will be governed by the rules as defined in the Racing Rules of Sailing, the prescriptions of Yachting Australia, the Notice of Race and Sailing Instructions of Yachting Western Australia as set out in the Offshore Handbook 2010/11 and these supplementary sailing instructions.
- 1.3 In the event of conflict, these supplementary sailing instructions shall prevail.

2. Courses

In the Offshore Handbook, the courses listed on Page 32 are amended as follows:

- 2.1 Division 2 - delete second mention of Jervoise Bay North Cardinal Mark to Stb and second mention of South Transit Beacon Rear to Stb.
- 2.2 Division 2 – delete No 12 Channel Marker
- 2.3 Coastal Cup and Double Handed – delete No 12 Channel Marker

3. Communications:

3.1 Pre-Race Radio Check:

Offshore Race Control will conduct pre-race radio checks in accordance with SI13.2 and will be operational from 0830 on the day of the race on VHF Ch72.

3.2 Race Communications:

It is intended to conduct all race communications on VHF Channel 72 but HF 4146 will also be monitored during the race.

4. Position Reports:

- 4.1 Position reports as per SI 13.4 will not be required.
- 4.2 Mandatory Rounding Reports
Boats shall report to Offshore Race Control by radio when:
Divisions 1 & 2: Rounding South Transit Beacon Rear for the final time
Division 3 & double handed: rounding South Transit Beacon Front.

5. Start

The start vessel will be South of Perth's start boat "Coffee Point". The port end buoy will be a black and white chequered inflatable buoy. The Day Buoy will be a yellow inflatable buoy.

6. Warning

Boats are advised that there may be a Rottneest Convoy conducted on the day of this race, which in past years has resulted in very heavy traffic on Channel 72. In the event that the volume of traffic might compromise race communications to an unacceptable level, the Race Committee may direct yachts to change to an alternate frequency. If this is done, a general call will be made by Offshore Race Control to advise which frequency it will move to. Attention is drawn to SI13.3, which will be changed if a change to frequency is required

7. Announcement of Results:

The announcement of results and presentation of trophies will be held at the South of Perth Yacht Club, Coffee Point, Applecross, on Monday 15th November at approximately 1830. All skippers, crews, supporters and friends are welcome.
