### **Instructor Registration**

When you have successfully completed this course, your name will be entered on the database of instructors, and Yachting Australia will issue your certificate and send it to you. Yachting Australia then invoice new instructors for the \$80 annual registration fee, which includes the premium for the Instructors' Public Liability (\$10,000,000) and Professional Indemnity (\$2,000,000) Policy. Details of these policies are on the Yachting WA website [www.wa.yachting.org.au](http://www.wa.yachting.org.au).

After you qualify as an instructor, your name and email address will be listed on the Yachting Australia database. This is accessible to the public through the YA(I) and YWA websites, and has two purposes:

- to enable the public and Yachting Australia Training Centres to confirm that you are currently registered as an instructor
- to enable the public and Yachting Australia Training Centres to find an instructor for the various National Training Schemes operated by Yachting WA on behalf of YA(I).

If you do not wish your email address to be available, please mark your course enrolment form accordingly.

If you qualify as an instructor across more than one of the training schemes, you still only pay the instructor registration fee once, irrespective of the number of instructor endorsements which you hold.
