## **Temporary Notice to Mariners**

### **Alteration, Installation & Removal of Navigational Aids Swan River – Perth Water Riverside Drive Channel**

Mariners are advised that operations to upgrade the navigational aids channel parallel to Riverside Drive commencing at the Barrack Street Jetty and extending to the north east extremity of Heirisson Island are scheduled to begin around the 26 September 2011, and take approximately 10 days to complete.

Twelve (12) navigational beacons will be installed and all navigational aids in the above channel will be equipped with synchronous rhythmic lighting.

In addition, five (5) existing in water piles will also be removed.

These works will take place from a maintenance barge.

**Reference Department of Transport Chart WA 898**

**Mariners are advised to navigate with caution when transiting the area during the above operations and keep well clear of the works barge at all times.**
