## **Temporary Notice to Mariners**

### **Alteration of Navigational Aids Rottnest Island**

#### **Longreach Bay, Geordie Bay, Parakeet Bay & Parker Point**

Mariners are advised that operations to upgrade the navigational aid channels at Longreach, Geordie & Parakeet Bays, and Parker Point are scheduled to begin on 21 November and take up to five (5) days.

Navigational aids in the above channels will be equipped with lighting systems.

#### **Flash Rates:**
