## **Notice to Mariners**

### **WESTERN AUSTRALIAN MARINE ACT 1982 Time Extension Temporary Closure of Waters Port Coogee Marina, Cockburn Sound**

Mariners are advised that marine construction works already in progress at Port Coogee Marina have been extended until an expected completion date of approximately 31 August 2011.

In accordance with Section 66 of the Western Australian Marine Act 1982, a closure to navigation of all waters within the Coogee Marina complex will remain in place until 31 August 2011.

The closure area is delineated by yellow buoys, approximately one metre in height and equipped with rhythmic yellow lighting systems at the entrance of the Marina breakwater. In addition, a float line of black floats and white floats is located approximately 200 metres further within the Marina.

Only vessels authorised by the Department of Transport may access the above closure area.

**Mariners are advised to navigate with caution when transiting the area and to keep well clear of the Marina entrance and closure area.**
