Risk Notice

Civil Liability Act 2002 (WA)

Boating is a sport that involves interacting with the uncontrollable and difficult to predict elements of nature, and therefore involves a degree of risk. Many of the risks inherent are intuitive. Without seeking to list all possibilities the following are brought to your attention:

- When launching or coming ashore, hard surfaces below the high tide line can become slippery, resulting in slip and fall injuries. Oysters and other sharp marine creatures can also grow on these surfaces. Stinging jelly fish or other marine stingers may be present in the water. Sharp objects can be hidden in sand or weed below the water which can cut or pierce feet or other parts of the body. Proximity to the elements makes it more likely for nails or splinters to be raised in wooden decks and floors and these can also cause foot injuries and trip hazards. The wet feet of sailors can make surfaces slippery.
- Because of reflected glare, sunburn will occur more rapidly than normal on unprotected skin. Dehydration or hypothermia can occur in those who do not heed and prepare for the conditions. Most injuries are relatively minor however on occasions the injury can be more significant.
- When boating on inshore waters, really serious injuries of the type that can cause permanent disablement or even death are statistically very rare but can and do occur. As with any water sport, the possibility of drowning is also present.

I understand that I or the minor for whom I am responsible may be photographed while participating in activities conducted by the Club and I hereby give permission for the use of my name or the name of the minor for whom I am responsible to be used in all forms of media for the promotion of the Club.

I have read and understood the above risk warning and I agree that I participate at my own risk and I acknowledge that neither South of Perth Yacht Club ("Club") nor any official, volunteer or member shall be under any liability whatsoever for the death or bodily injury, loss or damage which may be suffered or incurred by me or the minors for whom I am responsible. I also acknowledge that neither South of Perth Yacht Club nor any official volunteer or member shall be under any liability for any loss or damage to personal property which may be suffered or incurred by me or the minors for whom I am responsible.

Signature or Mark of Participant

Full name of Participant

Date

Signature or Mark of responsible parent/guardian of minor

Full name of adult

Reducing Risk

You can help reduce risk to yourself by always following these guidelines:

- Always wear footwear while sailing or on the Club premises;
- Always wear a life vest and adequate sun protection and carrying drinking water while sailing;
- Always examine launching ramps before using them to see how slippery they are;
- Always check the weather forecast before going sailing. Always follow the directions of your Instructors.

Refund Policy

Cancellation and refund for any course booking 14 days prior to the commencement of the course will attract a 10% administration fee. Cancellation and refund between 7 and 14 days prior to the commencement of the course will be 50% of the course fee unless another applicant can be found to fill the position, in which case an administration fee of 10% will apply. Cancellation less than seven days prior to the commencement of the course will result in no refund unless another applicant can be found to fill the position, in which case a 10% administration fee will apply. Providing another applicant can be found to fill the position a booking may be deferred to the next available course in which case a 10% administration fee will apply.
